“The Chaplaincy stream prepared me thoroughly to work with corporate chaplaincy where the role is to: ‘Provide care and support to individuals throughout any type of situation or personal crisis that may arise, in a confidential and dependable setting.’ [Corporate Chaplaincy Australia]” PAUL

“I entered the counselling and chaplaincy sector with a lot of life experience, but lacking the practical skills required to build a work career as a pastoral counsellor. The VLIBTC chaplaincy stream gave me just the right tools for my professional toolbox to succeed in this field.” DAVID
