## BIBLE COLLEGE COULD BE WHAT YOU'RE LOOKING FOR.

Victory Life International Bible Training Centre (VLIBTC) is a place that will inspire and empower you to live a victorious life in Jesus. The vision of VLIBTC is to train and equip men and women to reach their full potential in Christ: in life, the workplace and ministry and to take this city, nation and world for Jesus.

### WHY MINISTRY?

Do you wish you could answer those curly questions thrown at you from time to time by friends, colleagues or class mates? Do you long to reach out to others with an encouraging word or action but are not sure how to go about it?

The Ministry Stream is about giving you opportunities to serve in both the marketplace and ministry areas within church. It is about developing a Kingdom mindset so you can go out and be effective in every area of life, society and culture.

*"This course fulfilled its purpose in preparing me to become a leader in Christian ministry and in shaping my character as a God fearing person."* PRINCE

*"This course actually went above my expectations. Not only from an academic perspective but also from a spiritual point of view. Even for a student who might not pursue a career in Christian Ministry, the development of their journey with Christ through the teachings presented in this course are invaluable for anyone as a member of society in general. The values learned here will be with the student for the rest of their lives and consequently their families too."* MAGALI
